NO OFFICE DAY FOR MR. CREUTZ

Next Wednesday, Sept. 14, I will be participating with principals all over the world in "International No-Office Day." This will be an opportunity for me to spend the entire day with the students and teachers of Central Lutheran School. I look forward to observing in classrooms, assisting teachers, helping students, and learning as much as I can. I am also excited to let everyone know that you will be able to "follow" my experiences throughout the day. I will be using Central Lutheran's new Twitter account to post updates throughout my "No Office Day" experiences. In addition to Central's Twitter account being used on "No Office Day," we will be periodically posting updates about events, activities, and news items that take place at Central. There is no cost associated with using Twitter and you do not even need to have a Twitter account to view the updates. To view Central's Twitter account and read the updates, all you have to do is go to www.twitter.com/clschargers. You can also have our Twitter updates, or "tweets" sent directly to your phone. To have our "tweets" sent directly to your phone via text message, the only thing you need to do is sign up for your own twitter account. Check out Twitter and join me on my "No Office Day" journey next Wednesday.

REMINDER: School begins at 7:45. Please make every effort to arrive at school so that your child has enough time to be in their classroom by 7:45.

Central is currently holding its annual "**Cookie Dough**" fundraiser through Sept 19th. We are offering both cookie dough and desserts, as well as a new gift catalog to choose from. Items ordered are scheduled for delivery November 10th, making it easy to stock up on gifts or goodies for the holidays. Profits from this fundraiser are divided equally among the athletic, band, and choir departments. Please contact any student to see what is available or call the school office. Thank you for supporting our school!

BASKETBALL PLAYERS: If your child is planning on playing basketball and has not had their physical or turned it in, the form must be turned in by Friday, October 7th. They will not be able to participate until a form is turned in. Forms are available in the office, if needed.

Notes from the Gym Teacher: Thank you for sending your student to school with gym shoes and clothes that allow for active play! The best clothes allow for stretching, running, and active play. Every gym class involves those activities and more. Your student will be on the floor for stretching. Running and active play allows your student to enjoy healthy exercise that improves heart and lung health. If your student is dressed in layers such as a T-shirt and sweatshirt, they can take off the sweatshirt when they feel too warm. Junior high students need to have their gym clothes and shoes for every class period.
Thanks, Mrs. Weerts. (493-2502 ext 331)
