## PROGRAM WITHDRAWAL POLICY & TUITION REFUNDS

Our withdrawal policy requires that you give a two week notice of withdrawal from the program. In the event that you will need to withdraw your child from the preschool, we must receive notification in writing, (email). Please date your written notice and indicate the last day your child will be attending preschool otherwise you will be charged for those two weeks.

Preschool tuition is not refunded if your child misses days due to illness or vacation. If you have pre-paid for a year and need to withdraw, we will provide a refund proportionate to the days your child will miss.
